Section 1 – Introduction

This directory provides a list of Health Partners Medicare Prime, Health Partners Medicare Complete and Health Partners Medicare Special’s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage* (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider** (PCP). Generally, you must get your health care services from your PCP.

Your PCP wants to see you for preventive care to help you stay healthy, as well as to provide care whenever you’re sick or injured. In addition to providing direct care, your PCP also may arrange or coordinate other health services that you need.

Important note to dual-eligible members: If your cost-sharing is paid by the Medical Assistance program, **you must choose a PCP and other providers who are in our network AND participate in the Medical Assistance program.** These providers are marked with a triangle symbol in this directory. If you receive services from a provider who does not accept Medicaid, the Medical Assistance program will not pay him or her and you may be responsible for any cost-sharing amounts. **Always show both your Health Partners Medicare card and Community HealthChoices or other Medicaid card when obtaining health care services.**

The network providers listed in this directory have agreed to provide you with your health care, vision and dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. You *do not* need a referral from your PCP to see a specialist.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Health Partners Medicare will be responsible for the costs.

However, members of Health Partners Medicare Prime and Health Partners Medicare Complete can choose to see out-of-network specialists and certain other providers, as long as the provider participates in Medicare. Members who use this point-of-service option will be responsible for 20 percent coinsurance rather than the plan’s in-network cost-sharing.

Emergency care

In an emergency, you should seek the help you need from the closest available provider. Call 911 or visit the nearest emergency room. Then call or have someone call your PCP so he or she can arrange follow-up care for you.

A medical emergency is when you believe that your health is in serious danger, and it’s important to get care right away. You may have had a bad injury, a sudden illness or an illness that is quickly getting much worse.

Out-of-area and other urgently needed care

Urgently needed care is care you need for a sudden illness or injury that is not an emergency. In most cases, this is care provided when you are temporarily away from the Health Partners Medicare service area, or when your PCP is temporarily unavailable. These services must be medically necessary and required immediately due to an unforeseen illness, injury or condition. For urgently needed services, please call your PCP first, if possible, before seeking other care. Our network also includes a number of Urgent Care Centers that can provide services.

If you receive emergency or urgently needed care while out of the service area, we prefer that you return to the Health Partners Medicare service area to receive follow-up care through your PCP. We will cover medically necessary follow-up care out of the service area, however, as long as the care continues to be urgently needed, or if returning to the service area would jeopardize your health.

If you get a bill

If you receive a bill for services from a provider who does not participate with Health Partners Medicare, please open it right away but do not pay the bill. Make sure that the bill includes your name and Health Partners Medicare ID number as shown on your Health Partners Medicare membership card. Make a copy of the bill for your records, if you wish. Mail the original bill to:

Attn: Member Claims
Health Partners Medicare
901 Market Street, Suite 500
Philadelphia, PA 19107

We will process the bill and/or advise you if you have any liability for payment.

How do you find Health Partners Medicare providers that serve your area?

In this directory, providers are listed first by type, such as Primary Care Provider or Specialist, then by specialty (if any), such as Family Practice or Internal Medicine. Listings within provider or specialty types are organized by county, then by city name, then alphabetically by practice/facility name. Listings in Philadelphia are organized by ZIP code and then by name. You can also use the index to look up individual doctors as well as group practices by name.

We use symbols throughout the directory to help you find providers who meet your individual needs. For example, symbols show providers who are accepting new patients and those who accept Medicaid, as well as locations that are wheelchair accessible. Information about symbols shown in this directory is provided below and can also be found at the bottom of each page in the listings.

Symbols in the Provider directory:

△ – Means that this provider accepts Medicaid

♿ – Means that this provider site is wheelchair accessible

* – Means that this provider is board-certified in his or her medical specialty

⌘ – Means that this provider is accepting new patients

❖ – Means that this provider alternates between multiple offices

◇ – Means that you can choose this provider only if you are already his or her patient

✦ – Means that this provider is only available if you are already his or her patient as a Health Partners Medicare member

In network as of – Means that this provider will be available on and after the date shown

If you have questions about Health Partners Medicare Prime or Complete or Special or require assistance in selecting a PCP, please call our Member Relations Department at 1-866-901-8000, 24 hours a day, seven days a week. 2021 Pharmacy Directory**

This pharmacy directory was updated on 9/14/2020. For more recent information or other questions, please contact Health Partners Medicare at 1-866-901-8000 or, for TTY users, 1-877-454-8477, 24 hours a day, seven days a week, or visit www.HPPMedicare.com.

Changes to our pharmacy network may occur during the benefit year. An updated *Provider & Pharmacy Directory* is located on our website at www.HPPMedicare.com. You may also call Member Relations for updated provider information.

Introduction

This booklet provides a list of Health Partners Medicare Prime, Complete and Special's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Health Partners Medicare Prime, Complete or Special's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Health Partners Medicare Prime, Complete or Special only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/15/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside of Berks, Bucks, Carbon, Chester, Dauphin, Delaware, Lancaster, Lebanon, Lehigh, Northampton, Perry and Philadelphia counties, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please call 1-866-901-8000 (TTY 1-877-454-8477) or visit www.HPPMedicare.com.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

In this directory, pharmacies are listed first by type, such as Retail or Mail Order. Listings within each pharmacy type are organized by county, then by city, then alphabetically by name. Listings in Philadelphia are organized by ZIP code and then by name.

Pharmacy types listed in this directory are:

- **Retail Pharmacies** – These include chains and local drugstores.
- **Mail Order Pharmacies** – Getting your prescriptions by mail may be convenient for you, especially for maintenance medications.
- **Home Infusion Pharmacies** – If you are taking home infusion drugs, these pharmacies can fill your prescriptions.
- **Long-Term Care Pharmacies** – Residents of a long-term care facility may access their prescription drugs covered under Health Partners Medicare through the facility’s long-term care pharmacy or another network long-term care pharmacy.

TTY users, please call 711 to contact pharmacies listed in this directory.

Information about symbols shown in this directory is provided below and can also be found at the bottom of each page in the listings. These symbols can help you find pharmacies that will fill prescriptions for a 90-day extended supply and pharmacies that accept electronic prescribing (E-prescribing) by your doctor.

Symbols in the Pharmacy directory:

- ☐ – Means that this pharmacy accepts prescriptions from providers electronically
- ★ – Means that this pharmacy can provide 90-day drug supplies at the same cost-sharing that applies for mail order prescriptions
